Experience

General Manager (2021-2023)
Boathouse Cantina - Salida, CO
Responsible for operating and managing the daily operations of a very successful family-owned restaurant located on the Arkansas river. Led recruitment, training, and supervision of a team of skilled and dedicated wait staff, bartenders, and managers to provide top-notch service and maintain high operational standards.
- Successfully led the restaurant through a record-breaking yearly sales increase of 20%.
- Managed a team consisting of 40+ employees in a high stress and fast paced environment.
- Integrated new POS systems that boosted productivity and efficiency by 25%.
- Effectively maintained a 4.5+ rating on Google containing over 2,000 reviews.

Bar Operations Manager (2018-2021)
Boathouse Cantina Salida, CO
Coordinated and oversaw restaurant bar operations. Briefed bartenders of policy changes, menu updates, and upcoming events. Trained and managed a team of highly skilled and efficient bartenders.
- Spearheaded improvements to bar systems increasing efficiency and productivity by 15%.
- Awarded a promotion to General Manager for surpassing expectations regarding performance and productivity.

Education

Full Stack Flex Certificate - Denver University, CO
Intensive, 24-week Full Stack certificate program that covers both theory and application of web development. This program provides knowledge and skills to build dynamic end-to-end web applications.
Associates of General Studies - Weatherford College, TX
General degree to strengthen knowledge of core curriculum. Included courses for computer fundamentals and game development.
